To,

The Hiring Manager / Head of Human Resources

Subject: Application for the Position of Industrial QA Head (QMS)

Dear Hiring Manager,

I am writing to express my interest in the Industrial QA Head (QMS) position. With more than 17 years of experience in pharmaceutical Quality Assurance, QMS implementation, validation, documentation, and regulatory audit readiness, I offer a strong combination of technical depth, leadership capability, and hands-on manufacturing compliance expertise.

Across my career, I have led quality systems in sterile, oral solid dosage, hormonal, beta-lactam, and liquid oral manufacturing environments. In leadership roles at ShamShree Lifesciences Ltd. and Solitaire Pharmacia Pvt. Ltd., I successfully drove WHO-GMP audit clearances, secured COPPs, strengthened SOP frameworks, and upgraded QMS documentation to align with WHO, ICH, USFDA, and cGMP expectations.

My expertise includes CAPA and deviation management, change control, risk assessment, BMR/BPR/MFR review, and validation oversight for HVAC, water, process, cleaning, equipment, and automation systems. I have also led cross-functional training programs for QA, QC, Production, Warehouse, and Engineering teams to ensure practical implementation of quality systems at shop-floor level.

In addition to my industrial experience, my academic and administrative leadership roles have further strengthened my ability to mentor teams, manage stakeholders, and implement structured systems. I am currently pursuing a Ph.D. in Pharmacy and professional quality certifications through ASQ, reflecting my continued commitment to regulatory excellence and continuous improvement.

I would welcome the opportunity to contribute my experience in QMS leadership, regulatory compliance, audit readiness, and validation governance to your organization. I am confident that my background can support strong quality culture, inspection readiness, and sustainable manufacturing compliance.

Thank you for your time and consideration. I look forward to the opportunity to discuss how my experience aligns with your quality leadership requirements.

Yours sincerely,

Prof. Mohd. Sharim
